WHEREAS, for the benefit of the Property, the District presently intends to undertake the planning, design, acquisition, construction, and installation of the public infrastructure improvements for Phase 2 of the capital improvement program ("**Series 2026 Project**") as detailed in the Engineer's Report, including the anticipated costs of such Series 2026 Project as is identified in therein; and

WHEREAS, the District intends to finance a portion of the Series 2026 Project through the anticipated issuance of its \$[PAR] Finley Woods Community Development District Capital Improvement Revenue Bonds, Series 2026 (Assessment Area Two) ("**Series 2026 Bonds**"); and

WHEREAS, pursuant to Resolution Nos. 2019-24, 2019-25, 2020-05 and 2026-__ (collectively, the "**Assessment Resolutions**"), the District has imposed debt special assessments ("**Series 2026 Assessments**") on the Developer's Property within the District pursuant to Chapters 170, 190, and 197, *Florida Statutes*, to secure the repayment of the Series 2026 Bonds; and

WHEREAS, as part of the Assessment Resolutions, the District adopted the *Master Assessment Methodology*, dated September 12, 2019, as supplemented by the *Supplemental Assessment Methodology, Phase 3*, dated [PRICING DATE], (together, the "**2026 Assessment Report**"), which are on file with the District and expressly incorporated herein by this reference; and

WHEREAS, Developer acknowledges and agrees that all of the Developer's Property benefits from the timely design, construction and/or acquisition of the Series 2026 Project; and

WHEREAS, Developer agrees that the Series 2026 Assessments, which were imposed on Developer's Property, have been validly imposed and constitute valid, legal, and binding liens upon Developer's Property; and

WHEREAS, to the extent permitted by law, Developer waives any defect in notice or publication or in the proceedings to levy, impose, and collect the Series 2026 Assessments on Developer's Property; and

WHEREAS, the Assessment Resolutions and 2026 Assessment Report provide that as the Property is platted, the allocation of the amounts assessed to and constituting a lien upon the Property would be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed on the developable acres within the Property anticipated to absorb the allocation of Series 2026 Assessments, which assumptions were provided by Developer; and

WHEREAS, Developer intends to plat and develop the Property based on then-existing market conditions, and the actual densities developed may be at some density less than the densities anticipated in the 2026 Assessment Report to absorb the allocation of the Series 2026 Assessments; and

WHEREAS, as further described in the Assessment Resolutions, the 2026 Assessment Report anticipate a mechanism by which the Developer shall, if required, make certain payments to the District in order to satisfy, in whole or in part, the Series 2026 Assessments allocated and the liens imposed pursuant to the Assessment Resolutions, with the amount of such payments being determined generally

by a calculation of the remaining unallocated debt prior to the District approving the final plat or site plan for a parcel or tract, as described in the 2026 Assessment Report (which payments shall collectively be referenced as the “True-Up Payment”); and

WHEREAS, Developer and the District desire to enter into this Agreement to confirm Developer’s intentions and obligations to make True-Up Payments related to the Series 2026 Assessments, subject to the terms and conditions contained herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. RECITALS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. VALIDITY OF ASSESSMENTS. Developer agrees that the Assessment Resolutions have been duly adopted by the District. Developer further agrees that the Series 2026 Assessments imposed as liens by the District are legal, valid, and binding liens on the lands against which assessed until paid, coequal with the lien of all state, county, district, and municipal taxes, and superior in dignity to all other liens, titles, and claims. Developer hereby waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2026 Assessments.

SECTION 3. COVENANT TO PAY. Developer agrees and covenants to timely pay all such Series 2026 Assessments levied and imposed by the District pursuant to the Assessment Resolutions on assessable acres owned by Developer, whether the Series 2026 Assessments are collected by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, directly by the District, or by any other method allowable by law. Developer further agrees that to the extent Developer fails to timely pay all Series 2026 Assessments on assessable acres owned by Developer collected by mailed notice of the District, said unpaid Series 2026 Assessments (including True-Up Payments) may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year or may be foreclosed on as provided for in Florida law. Developer agrees that the provisions of this Agreement shall constitute a covenant running with the title to the Property and shall remain in full force and effect and be binding upon Developer, its legal representatives, estates, successors, grantees, and assigns until released pursuant to the terms herein.

SECTION 4. SPECIAL ASSESSMENT REALLOCATION.

A. Assumptions as to Series 2026 Assessments. As of the Effective Date of this Agreement and as further described in the 2026 Assessment Report, Developer has informed the District that it plans to construct or provide for the construction of a total of 115 single-family residential dwelling units, as more specifically described by unit size/number in the 2026 Assessment Report, on the Property to absorb the Series 2026 Assessments allocated to Phases 3.

B. Process for Reallocation of Assessments. The Series 2026 Assessments will be reallocated within the Property as lands are platted, re-platted, site planned, or a declaration of condominium recorded (all hereinafter referred to as “plat”, “plating”, or “platted”). In connection with such platting of acreage, the Series 2026 Assessments imposed on the acreage being platted will be

allocated based upon the precise number of units of each product type within the area being platted. In furtherance thereof, at such time as acreage is to be platted, Developer covenants that such plat shall be presented to the District. The District shall allocate the Series 2026 Assessments to the product types being platted and the remaining unplatted portions of the Property in accordance with the 2026 Assessment Report and cause such reallocation to be recorded in the District's Improvement Lien Book.

(i) It is an express condition of the lien established by the Assessment Resolutions that any and all plats containing any portion of the lands within the District, as the District's boundaries may be amended from time to time, shall be presented to the District for review, approval and allocation of the Series 2026 Assessments to the product types being platted and the remaining unplatted property in accordance with the 2026 Assessment Report ("**Reallocation**"). Developer covenants to comply with this requirement for the Reallocation. The District agrees that no further action by the District's Board of Supervisors shall be required. The District's review of the plats shall be limited solely to the Reallocation of Series 2026 Assessments and enforcement of the Series 2026 Assessment lien, including any True-Up Payments due. Nothing herein shall in any way operate to or be construed as providing any other plat and plan approval or disapproval powers to the District.

(ii) As the acreage within the District is developed, it will be platted. At such time as a plat is presented to the District (each such date being a "**True-Up Date**"), the District shall determine if the debt per gross acre remaining on the unplatted land is greater than the debt per gross acre of such land at the initial time of imposition of the Series 2026 Assessments, and, if it is, a True-Up Payment in the amount of such excess shall become due and payable by Developer or its successors or assigns, as applicable, in that tax year in accordance with the 2026 Assessment Report, in addition to the regular assessment installment payable for lands owned by the Developer. The District will ensure collection of such amounts in a timely manner in order to meet its debt service obligations, and in all cases, Developer agrees that to the extent such payments are the obligation of the Developer, such payments shall be made in order to ensure the District's timely payments of the debt service obligations on the Series 2026 Bonds. The District shall record all True-Up Payments in its Improvement Lien Book.

(iii) The foregoing is based on the District's understanding with Developer that it may plat at least the amount of single family dwelling units identified in the 2026 Assessment Report on the developable acres within the Property to absorb the allocation of the Series 2026 Assessments. However, the District agrees that nothing herein prohibits more or less than the units identified in the 2026 Assessment Report from being platted. In no event shall the District collect Series 2026 Assessments pursuant to the Assessment Resolutions in excess of the total debt service related to the Series 2026 Project, including all costs of financing and interest. The District, however, may collect Series 2026 Assessments in excess of the annual debt service related to the Series 2026 Project, including all costs of financing and interest, which shall be applied to prepay the Series 2026 Bonds. If the strict application of the true-up methodology to any Reallocation for any plat pursuant to this Agreement would result in Series 2026 Assessments collected in excess of the District's total debt service obligation for the

Series 2026 Project, the District agrees to take appropriate action by resolution to equitably reallocate the Series 2026 Assessments.

(iv) All Series 2026 Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made.

SECTION 5. ENFORCEMENT. This Agreement is intended to be an additional method of enforcement of Developer's obligation to pay the Series 2026 Assessments on assessable acres owned by Developer and to abide by the requirements of the Reallocation of Series 2026 Assessments, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by any party under this Agreement shall entitle any other party to all remedies available at law or in equity, excluding consequential and punitive damages and subject to recourse limitations in documents applicable to the District and the Series 2026 Bonds.

SECTION 6. ASSIGNMENT.

- A. **Agreement Runs with Land** – This Agreement shall constitute a covenant running with title to the Property, binding upon Developer and its successors and assigns as to lands comprising the Property or portions thereof, and any transferee of any portion of lands comprising the Property as set forth in this Section, except as permitted by subsection b., below, or subject to the conditions set forth in subsection c., below.
- B. **Exceptions** – Developer shall not transfer any portion of the Property to any third party without complying with the terms of subsection c. below, other than:
- (i) Platted and fully developed lots to homebuilders restricted from replatting;
 - (ii) Platted and fully developed lots to end users; and
 - (iii) Subject to any Series 2026 Assessment payment obligations under the Assessment Resolutions, land which is exempt from assessments to the City of Gainesville, ("City") Florida, Alachua County, Florida ("County"), the District, a homeowners' association, or other governmental agencies.

Any transfer of any portion of lands comprising the Property pursuant to subsections (i), (ii) or (iii) listed above shall constitute an automatic release of such portion of the Property from the scope and effect of this Agreement; provided however, that any True-Up Payment owing is paid prior to such transfer.

- C. **Transfer Conditions** – Developer shall not transfer any portion of the Property to any third party, except as permitted by subsection b. above, without satisfying the following condition ("**Transfer Condition**"): satisfying any True-Up Payment that results from any true-up determinations made by the District incident to such transfer or, if transferee is a homebuilder receiving platted and fully developed lots not restricted from replatting, such homebuilder enters into a separate true up agreement with the District to the

District's satisfaction. Any transfer that is consummated pursuant to this Section shall operate as a release of Developer from its obligations under this Agreement as to such portion of the Property only arising from and after the date of such transfer and satisfaction of the Transfer Condition including payment of any True-Up Payments due, and the transferee, which by recording or causing to be recorded in the Official Records of the County, the deed transferring such portion to the transferee, shall be deemed to assume Developer's obligations in accordance herewith and shall be deemed the "Developer" from and after such transfer for all purposes as to such portion of lands comprising the Property so transferred. Regardless of whether the conditions of this subsection are met, any transferee, other than those specified in subsection b., above, shall take title subject to the terms of this Agreement.

- D. **General** – Except as provided in this Section 6, no party may assign its rights, duties, or obligations under this Agreement or any monies to become due hereunder without the prior written consent of the other party, whose consent shall not be unreasonably withheld. Except as provided in this Section 6, any purported assignment by either party absent the prior written consent of the other party as required by this section shall be void and unenforceable.

SECTION 7. RECOVERY OF COSTS AND FEES. In the event any party is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys' fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 8. NOTICES. All notices, requests, consents and other communications under this Agreement ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the parties, as follows:

Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the District and counsel for the Developer may deliver Notice on behalf of the District and the Developer, respectively. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

SECTION 9. AMENDMENT. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer, but only after satisfaction of the conditions set forth in Section 12.

SECTION 10. TERMINATION. This Agreement shall terminate automatically upon the full allocation of Series 2026 Assessments to platted units and the payment in full of all True-Up Payments having been determined to be due hereunder.

SECTION 11. NEGOTIATION AT ARM'S LENGTH. This Agreement has been negotiated fully between the parties as an arm's length transaction. All parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against either party.

SECTION 12. BENEFICIARIES. Except as set forth below, this Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns. Notwithstanding the foregoing or anything else herein to the contrary, this Agreement is not intended to be and shall not be binding upon an end user purchaser of a platted lot. Notwithstanding anything in this Agreement to the contrary, the trustee for the Series 2026 Bonds ("**Trustee**"), on behalf of the Series 2026 Bond holders, shall be a direct third party beneficiary of the terms and conditions of this Agreement and acting at the direction of and on behalf of Majority Owners (as such term is defined in the indenture for the Series 2026 Bonds) of Series 2026 Bonds, shall be entitled to enforce the Developer's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations under this Agreement. Except as provided in Section 6, this Agreement may not be assigned or materially amended without the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2026 Bonds, which consent shall not be unreasonably withheld.

SECTION 13. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section

768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 14. APPLICABLE LAW; VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

SECTION 15. PUBLIC RECORDS. The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and may require treatment as such in accordance with Florida law.

SECTION 16. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this Agreement.

SECTION 17. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

SECTION 18. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

SECTION 19. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

**COLLATERAL ASSIGNMENT AND ASSUMPTION OF
DEVELOPMENT AND CONTRACT RIGHTS
(Series 2026 Bonds)**

This COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT AND CONTRACT RIGHTS (Series 2026 Bonds) (herein, the “**Assignment**”) is made on [CLOSING DATE], by FINLEY 3 PARTNERS, LLC, a Florida limited liability company, whose address is 1720 SE 16th Avenue, Building 200 Ocala, Florida 34471, together with its successors and assigns (the “**Developer**” or “**Assignor**”) in favor of the FINLEY WOODS COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in City of Gainesville, Alachua County, Florida, whose address is 3501 Quadrangle Boulevard, Suite 270, Orlando, Florida 32817 (together with its successors and assigns, the “**District**” or “**Assignee**”).

RECITALS

WHEREAS, the District proposes to issue its Capital Improvement Revenue Bonds, Series 2026 (Assessment Area Two) (the “**Series 2026 Bonds**”) to finance certain public infrastructure which will provide special benefit to the developable lands (the “**Lands**”), as described in **Exhibit A** attached hereto, in the residential project commonly referred to as Phase 3 of Finley Woods (the “**Project**”), which is located within the geographical boundaries of the District; and

WHEREAS, the security for the repayment of the Series 2026 Bonds is the special assessments levied against the Lands within the District (the “**Series 2026 Assessments**”); and

WHEREAS, the purchasers of the Series 2026 Bonds anticipate that the Lands will be developed in accordance with the *Engineer’s Report*, dated September 2019, as supplemented by the *Supplemental Engineer’s Report #2*, dated April 2026 (together, “**Engineer’s Report**”) and the *Master Assessment Methodology*, dated September 12, 2019, as supplemented by the *Supplemental Assessment Methodology, Phase 3*, dated [PRICING DATE] (together, “**2026 Assessment Report**”), which Lands are intended to ultimately be sold to third-party end-users within the District (“**Development Completion**”); and

WHEREAS, the failure to achieve Development Completion may increase the likelihood that the purchasers of the Series 2026 Bonds will not receive the full benefit of their investment in the Series 2026 Bonds; and

WHEREAS, during the period in which the Lands are being developed and the Project has yet to reach Development Completion, there is an increased likelihood that adverse changes to local or national

economic conditions may result in a default in the payment of the Series 2026 Assessments securing the Series 2026 Bonds; and

WHEREAS, in the event of default in the payment of the Series 2026 Assessments securing the Series 2026 Bonds, the District has certain remedies with respect to the lien of the Series 2026 Assessments as more particularly set forth herein; and

WHEREAS, if the Series 2026 Assessments are directly billed, the sole remedy available to the District for non-payment of the Series 2026 Assessments would be an action in foreclosure; if the Series 2026 Assessments are collected pursuant to Florida's uniform method of collection, the sole remedy available to the District for non-payment of the Series 2026 Assessments would be the sale of tax certificates (collectively, the "**Remedial Rights**"); and

WHEREAS, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development & Contract Rights (defined below), to complete development of the Lands to the extent that such Development & Contract Rights have not been previously assigned, transferred, or otherwise conveyed to a homebuilder (unaffiliated with the Developer) or an end user resulting from the sale of certain Lands in the ordinary course of business, the City of Gainesville, Florida (the "**City**"), Alachua County, Florida (the "**County**") the District, any applicable homeowner's association or other governing entity or association for the benefit of the Project (a "**Prior Transfer**"); and

WHEREAS, this Assignment is not intended to impair or interfere with the development of the Project and shall only be inchoate until becoming effective and an absolute assignment and assumption of the Development & Contract Rights upon failure of the Developer to pay the Series 2026 Assessments levied against the Lands owned by the Developer; provided, however, that such assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the terms of this Assignment or to the extent that a Prior Transfer has not already occurred with respect to the Development & Contract Rights; and

WHEREAS, in the event of a transfer, conveyance or sale of any portion of the Lands (excluding the conveyance of any portion of the Lands to a homebuilder – unaffiliated with the Developer – or an end-user), any and all affiliated entities or successors-in-interest to the Developer's Lands shall be subject to this Assignment, which shall be recorded in the Official Records of Alachua County, Florida; and

WHEREAS, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Project; and

WHEREAS, absent this Assignment becoming effective and absolute, it shall automatically terminate upon the earliest to occur of the following: (i) payment of the Series 2026 Bonds in full; (ii) Development Completion; or (iii) occurrence of a Prior Transfer, but only as to such portion transferred, from time to time (herein, the "**Term**").

NOW, THEREFORE, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the sufficiency of which is acknowledged, Assignor and Assignee agree as follows:

1. **Collateral Assignment.** Assignor hereby collaterally assigns to Assignee, to the extent assignable and to the extent that they are solely owned or controlled by Assignor at execution of this Assignment or acquired in the future, all of Assignor's development rights and contract rights relating to

the Lands and/or the Project (herein the “**Development & Contract Rights**”) as security for Developer’s payment and performance and discharge of its obligation to pay the Series 2026 Assessments levied against the Lands. This assignment shall become effective and absolute upon failure of the Developer to pay the Series 2026 Assessments levied against the Lands owned by the Developer. The Development & Contract Rights shall include the following as they pertain to the Project, but shall specifically exclude any such portion of the Development & Contract Rights which are subject to a Prior Transfer:

(a) Any declaration of covenants of a homeowner’s association governing the Lands, as recorded in the Official Records of Alachua County, Florida, and as the same may be amended and restated from time to time, including, without limitation, all of the right, title, interest, powers, privileges, benefits and options of the “Developer” or “Declarant” thereunder.

(b) Engineering and construction plans and specifications for grading, roadways, site drainage, stormwater drainage, signage, water distribution, waste water collection, and other improvements.

(c) Preliminary and final site plans.

(d) Architectural plans and specifications for buildings and other improvements to the Lands within the District, but solely to the extent construction of such buildings and improvements has commenced.

(e) Permits, approvals, resolutions, variances, licenses, impact fees and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the Project and construction of improvements thereon including, but not limited to, the following:

(i) Any and all approvals, extensions, amendments, rezoning and development orders rendered by governmental authorities, including the City or County relating to the Project.

(ii) Any and all service agreements relating to utilities, water and/or wastewater, together with all warranties, guaranties and indemnities of any kind or nature associated therewith.

(iii) Permits, more particularly described in the Engineer’s Report.

(f) Permit fees, impact fees, deposits and other assessments and impositions paid by Assignor to any governmental authority or utility and capacity reservations, impact fee credits and other credits due to Assignor from any governmental authority or utility provider, including credit for any dedication or contribution of Lands by Assignor in connection with the development of the Lands or the construction of improvements thereon.

(g) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the Project or the construction of improvements thereon, together with all warranties, guaranties and indemnities of any kind or nature associated therewith.

(h) Notwithstanding anything contained herein to the contrary, contracts and agreements with private utility providers to provide utility services to the Project, including the lots.

(i) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing and any guarantees of performance of obligations to Assignor arising thereunder by any means, including, but not limited to, pursuant to governmental requirements, administrative or formal action by third parties, or written agreement with governmental authorities or third parties.

2. **Warranties by Assignor.** Assignor represents and warrants to Assignee that:

(a) Other than in connection with Prior Transfers, Assignor has made no assignment of the Development & Contract Rights to any person other than Assignee.

(b) To the actual knowledge of Assignor, Assignor has not done any act or omitted to do any act which will prevent Assignee from, or limit Assignee in, acting under any of the provisions hereof.

(c) To the actual knowledge of Assignor, there is no material default under the terms of the existing contracts, agreements, and other documents relating to the Development & Contract Rights, which now or hereafter affect the Lands and the Project (collectively, the “**Contract Documents**”), subject to any notice and cure periods, and all such Contract Documents remain in full force and effect.

(d) Any transfer, conveyance or sale of the Lands (excluding conveyance of a portion of the Lands to a homebuilder – unaffiliated with the Developer – or an end user), shall subject any and all affiliated entities or successors-in-interest of the Developer to this Assignment.

(e) Assignor is not prohibited under agreement with any other person or under any judgment or decree from the execution and delivery of this Assignment.

(f) No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of Assignor’s obligations herein contained.

3. **Covenants.** Assignor covenants with Assignee that during the Term (as defined above):

(a) Assignor will use reasonable, good faith efforts to fulfill, perform, and observe each and every material condition and covenant of Assignor relating to the Development & Contract Rights. Upon an Event of Default by Assignor, Assignor will use reasonable, good faith efforts to give notice to Assignee of any claim of default relating to the Development & Contract Rights given to or by Assignor, together with a complete copy of any such claim.

(b) The Development & Contract Rights include all of Assignor’s right to modify the Development & Contract Rights, to terminate the Development & Contract Rights, and to waive or release the performance or observance of any obligation or condition of the Development & Contract Rights; provided that no such modification, termination, waiver or release affects any of the Development & Contract Rights which pertain to lands outside of the District not relating to development of the Lands. Upon an Event of Default, the rights as outlined within this Section 3(b) shall be included as part of the Development & Contract Rights assigned to Assignee.

(c) In the event of the institution of any involuntary bankruptcy, reorganization or insolvency proceedings against the Assignor or the appointment of a receiver or a similar official with respect to all or a substantial part of the properties of the Assignor, Assignor shall endeavor in good faith

to have such proceedings dismissed or such appointment vacated within a period of one hundred twenty (120) days.

4. **Assignee Obligations.** Nothing herein shall be construed as an obligation on the part of the Assignee to accept any liability for all or any portion of the Development & Contract Rights unless it chooses to do so in its sole discretion. Nor shall any provision hereunder be construed to place any liability or obligation on Assignee for compliance with the terms and provisions of all or any portion of the Development & Contract Rights.

5. **Events of Default.** Any breach of the Assignor's warranties contained in Section 2 hereof or breach of covenants contained in Section 3 hereof will, after the giving of notice and an opportunity to cure (which cure period shall be at least sixty (60) days) shall constitute an Event of Default under this Assignment. An Event of Default shall also include the transfer of title to lots owned by the Developer pursuant to a judgment of foreclosure entered by a court of competent jurisdiction in favor of the District (or its designee) or a deed in lieu of foreclosure to the District (or its designee), or the acquisition of title to such lots through the sale of tax certificates.

6. **Remedies Upon Event of Default.** Upon an Event of Default, Assignee may, as Assignee's sole and exclusive remedies, take any or all of the following actions, at Assignee's option:

(a) Perform any and all obligations of Assignor relating to the Development & Contract Rights and exercise any and all rights of Assignor therein as fully as Assignor could.

(b) Initiate, appear in, or defend any action arising out of or affecting the Development & Contract Rights.

**DECLARATION OF CONSENT TO JURISDICTION OF
FINLEY WOODS COMMUNITY DEVELOPMENT DISTRICT
AND TO IMPOSITION OF SPECIAL ASSESSMENTS

(SERIES 2026 ASSESSMENTS)**

The undersigned, being a duly authorized representative of **FINLEY 3 PARTNERS, LLC**, a Florida limited liability company, whose address is 1720 SE 16th Avenue, Building 200, Ocala, Florida 34471 ("**Landowner**") is the owner of those lands described in **Exhibit A** attached hereto ("**Property**") located within the boundaries of Finley Woods Community Development District ("**District**"). The Landowner, intending that it and its respective successors in interest and assigns shall be legally bound by this Declaration, hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after August 1, 2019, a legally created, duly organized, and validly existing community development district under the provisions of Chapter 190, *Florida Statutes*, as amended ("**Act**"). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the Board of City of the City of Gainesville, Florida ("**City**"), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance No. 180972, effective as of August 1, 2019, was duly and properly adopted by the City in compliance with all applicable requirements of law; (c) the members of the Board of Supervisors of the District ("**Board**") were, and continue to be, duly and properly designated pursuant to the Act to serve in their capacities and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from August 1, 2019, to and including the date of this Declaration.

2. The Landowner, for itself and its successors and assigns, hereby confirms and agrees that, to the debt special assessments ("**Series 2026 Assessments**") imposed by Resolution Nos. 2019-24, 2019-25, 2020-05 and 2026-___ (collectively, "**Assessment Resolutions**"), duly adopted by the Board, and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the Series 2026 Assessments, and the Series 2026 Assessments are legal, valid and binding first liens upon the Property co-equal with the lien of

all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, until paid.

3. The Landowner, for itself and its successors and assigns, hereby waives the right granted in Section 170.09, *Florida Statutes*, and rights provided in the Assessment Resolutions, to prepay the Series 2026 Assessments without interest within thirty (30) days after the improvements are completed, in consideration of, among other things, the rights granted by the District to prepay the Series 2026 Assessments in full or in part one time, but with interest, under the circumstances set forth in the Assessment Resolutions.

4. The Landowner, for itself and its successors and assigns, hereby expressly acknowledges, represents and agrees that (i) the Property specially benefits from the entirety of the improvements provided in the Series 2026 Project (as such term is defined in the Assessment Resolutions); (ii) the Series 2026 Assessments, the Assessment Resolutions, and the terms of the financing documents related to the District's issuance of its Finley Woods Community Development District Capital Improvement Revenue Bonds, Series 2026 (Assessment Area Two), or securing payment thereof (the "**Financing Documents**") are valid and binding obligations enforceable in accordance with their terms; (iii) the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Series 2026 Assessments or claims of invalidity, deficiency or unenforceability of the Series 2026 Assessments, the Assessment Resolutions, and the Financing Documents (and the Landowner hereby expressly waives any such claims, offsets, defenses or counterclaims); (iv) in the event that the Property is re-platted, Landowner shall present such re-plat to the District for approval and allocation of the Series 2026 Assessments to the units being-replatted, and if such re-platting and allocation results in assessment per unit that exceeds the initially allocated assessment per unit as described in the Assessment Resolutions, then the Landowner shall pay a True-Up payment (as described in the Assessment Resolutions) in the amount of such excess, which shall become due and payable in that tax year in addition to the regular assessment installment payable for the lands owned by Landowner; and (v) the Landowner, on behalf of itself and its heirs, successors and assigns, expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner's default and agrees that, immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*.; and (vi) to the extent the Landowner fails to timely pay any special assessments collected by mailed notice of the District, if any, such unpaid special assessments and future special assessments may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year, or may be foreclosed on pursuant to Chapters 170 and 190, *Florida Statutes*.

5. This Declaration shall represent a lien of record for purposes of Chapter 197, *Florida Statutes*, including, without limitation, Sections 197.552 and 197.573, *Florida Statutes*.

Other information regarding the Series 2026 Assessments is available from the District Manager at PFM Group Consulting, LLC, 3501 Quadrangle Boulevard, Suite 270, Orlando, Florida 32817; Ph: (407) 723-5900.

BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE DEEMED TO HAVE CONSENTED AND AGREED TO THE PROVISIONS OF THIS DECLARATION TO THE SAME EXTENT AS IF THEY HAD EXECUTED IT AND BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE ESTOPPED FROM CONTESTING, IN COURT OR OTHERWISE, THE VALIDITY, LEGALITY AND ENFORCEABILITY OF THIS DECLARATION.

The County has been facing unusually high fire activity these past few weeks. If you are hoping to reduce risk in your area by addressing overgrowth in the basin associated with Finley Woods, I think that would be positive contribution to the area. Mow Away!

Please exercise caution, The City is not liable for any fees or incidents that occur when addressing this area.

Good Afternoon,

I have been advised that the Finley Woods Community located on SW 62nd Blvd was annexed into the City of Gainesville. One of the properties located in the community is 6298 SW 50th Street.

The governing documents state that the bottom of the retention ponds are a 'No mow" area unless there is an impediment to proper function or poses a fire hazard as determined by the Fire Department.

Can you please confirm if this community is located within City of Gainesville boundaries and if an inspection can be done to determine if the vegetation is a hazard?

Sincerely,

Kelly Burch. LCAM
